

# Protect What Matters Most

Children, Staff, and Your property.

## VORTEX

### Cloud based IP CCTV solution for Childcare Centres

#### Easy & Secure

Easy-to-use cloud management with robust data protection.

#### Budget-Friendly & Modular

Future proof expandable system to fit your center's needs.

#### Privacy-Focused

Cameras in shared areas with controlled access—fully respecting children's privacy with face masking on demand.

#### Reliable & Low-Maintenance

Up to 10-Year warranty for peace of mind and minimal upkeep.

## Peace of Mind

Monitor classrooms and common areas in real-time, receive instant alerts for unusual activity, generate incident reports, and securely manage incidents—all from a single platform.
